ABOUT US

Losing a loved one is very difficult and emotionally challenging for any human being. To add to that, organising a funeral within a limited amount of time can be even more stressful. Most people are fortunate to have friends and family who will emotionally and financially support them through this process; helping to give their loved one a dignified burial.

However, the average cost of a funeral is approximately £4,000, which is a substantial amount of money to gather within a short amount of time.

Unfortunately, there are many people out there within our community, who do not have family and friends that are able to support them during bereavement.

We aspire to financially support funeral costs of those who are unable to do so, whilst protecting the dignity of the deceased and their family.

We will only make payments directly to Funeral Services/Cemetery and the amount of payment depends on each individual case and the charity's financial situation.

OUR WORK SO FAR

Ease launched on 1st April 2020

After months of planning, Ease was officially launched on the 1st April 2020. Within weeks of launching we had our first referral and managed to raise over £5,000 within 24 hours of launching an appeal. Ease was also formally a registered charity.

18 funerals supported in 3 years

Alhamdulillah, we have supported 18 funerals since our launch.

We have paid out a total of £42,341 and all payments have been made directly to the Funeral Services/Cemetery.

Legal Support Right to be buried

Some Muslim reverts were having their right to be buried removed after they had passed. In partnership with our sponsors Amin Haque Solicitors, we are helping attain statutory legal declarations for reverts ensuring they have the right to be buried.
